Food Allergies, what are they?

A food allergy is when the body's immune system reacts to a protein in food as being harmful and causes an allergic reaction.

This is why everyone needs to be very careful when packing school lunches and snacks.

- Read food labels and avoid sending foods that contain nuts
- Discourage your children from sharing their food at school
- Encourage your children to wash their hands before and after eating
- Please inform the school of any allergies.

For more information, please visit Food Allergy Canada

Contacting the School

Our school has an answering machine that is on 24 hours a day. Please leave a message if you are unable to speak to someone in person.

Also, if you foresee an absence from school for your child, let us know or send a letter with your child to give to his/her teacher.

It is also acceptable to send a note with your child to school prior to their absence, this will avoid a call from the school.

Riverside Makes Music!

We'd like to give a big Riverside Welcome Mr. Wally Itson who is teaching K-6 Music

Grade 3 recorders will be ordered later and students will begin playing them in January.

Follow us on Instagram @riversidemakesmusic for updates and a peek at what we are doing in Music!

Physical Education Corner

Volleyball

Our Volleyball league for Junior High is going full swing and will conclude with our Volleyball tournament this month, Friday Nov. 22nd and Saturday Nov. 23rd at RDPC. We also expect teams from out of town! A big thanks to our volunteer coaches, scorekeepers and referees!

Intramurals

Intramural program for grade 1-6 is also happening everyday at lunch time!
