**French Immersion Kindergarten Classes are
now open for registration.**

Why French Immersion? / Pourquoi l'Immersion française?

Speaking French opens up many more opportunities in life.

Parler français ouvre davantage les portes sur le monde.

French immersion students become excellent communicators and learning another language increases achievement in reading, language skills, and mathematics.

French is spoken in several countries around the world and makes travel abroad much more exciting.

Le français est la langue officielle ou seconde dans plusieurs pays du monde, alors les voyages deviennent encore plus intéressants.

Myth: A parent needs to already know some French for their child to enter French Immersion.

Fact: We don't expect children to know any French before arriving to our Kindergarten French Immersion programs.

Myth: "We don't know French so we won't be able to help our child with his/her work."

Fact: 90% of parents who have their children in French Immersion don't speak or write French.

Consider French Immersion for your child at École Riverside School. Entry points are Kindergarten at any time and Grade 1 by December. Please visit us for more information or check out our website <http://rss.mysterynet.mb.ca/> . 677-6115

École Riverside School offers a large Lunch Program to our students.
